“ Grandma..I am going to miss you so very much! You were the best Grandma anyone could ask for. My heart breaks at the very thought of never hearing your voice again or seeing you. I have so many great memories of you and Grandpa..Like how Grandpa played the piano and sang "Grandma got ran over by a reindeer" and how you always worried about your hair. I don't have any bad memories of you guys. You guys were always so sweet and nice to us. I love you always and forever!

“ Dear Lynda, David and Kathyleen You have my deepest sympathy at this time of mourning. Joyce and Ruben were like roll models as to what love, marriage and good citizenship are all about. I will miss them as my neighbors but knowing that they are together again releives some of my sorrow.

“ Dear Linda and Kathleen, Our thoughts and prayers are with you at this time. Joyce was such a joy to talk to, a very good neighbor and we will miss her very much. She always made the most fabulous cookies at Christmas time and yummy cupcakes that were always great and will be missed. So hard to believe she isn't across the street anymore. We truly believe that her and Ruben are now together again and watching over their loved ones. Peace and love to you and family.

“ I can't believe you're gone mom. I guess you just needed to be with dad, your best friend in life. You have no idea how much you will be missed. You were an incredible mom and I loved you very much.

“ *Kath, you know I loved your parents and loved growing up with you. They were just the neatest people I've ever had the pleasure of knowing. But I thought of something else - what are we going to do without our Joyce stories? You know how we loved when she'd report how exhausted she was after working the polls once a year, ha! I'll miss them so - but we know they adored each other and they're together forever now. Love you!*
