“ I grew up across the street from Joyce and Woodie Jobe and spent many days over their house playing with their kids Renee, Woodie Jr ,Brian Janine and Kim and my niece Amy new Carol the youngest. I always felt at home and welcome their and will always have wonderful memories of all of them. Joyce was such a big help to me with caring for my Mom and sitting with her so I could go to work before my Mom passed away. She will always have a place in my heart and will be greatly missed. “ A strong willed. up-front and honest lady, St Peter will enjoy the company ;- . In the brief time I knew this lady I grew very fond of her, pretty hard job not to. Her smile, her infectious laugh and words of wisdom will be missed but her spirit will be around for those loved ones left behind, my thoughts and prayers are with them all. God Bless you Mrs Jobe. “ There was magic in grandmother's touch, and sunshine in her smile. There was love in everything she did to make our lives worthwhile. We found both hope and courage Just by looking in her eyes. Her laughter was a source of joy, her words warm and wise. There was a kindness and compassion found in her embrace, And shining down from Heaven above we see the glow of Grandmother's face. I will truly miss you, Love your grandson Brian Jr.
