“ Ken, Steve, Jeff and Chris,

I just heard the sad news. I can't imagine the sadness your family is feeling right now. Our family's thoughts and prayers are with you during this difficult time.

When I think back to the times we all spent together, it always brings a smile to my face. I know Juanita was the glue that held the Joiner clan together. She always seemed to be the calm in the tornado of managing everyone at the office.

I remember the Christmas office parties she would arrange where we would go see the play A Christmas Carol or a see a Christmas concert. I could tell she really enjoyed the holidays and getting to be with her family.

Lord knows we all spent quite a lot of time at MacRays. If we weren't at the restaurant, we were at the condo or on the boat. Juanita was always there, making sure everyone was tended to.

I will always remember her like her picture, with a warm, welcoming smile. She will be missed.

*Sincerely,
chris samartino*
