“ Lisa and family, I know today is Juanita's birthday and I have had a hard time locating her for past couple years. Both Jim and Juanita were very close and special friends of my parents Harold and Geneva Clark from North Canton. Mom and Juanita were like sisters and they always had fun together and loved to exchange recipes which were yummy! Also know how much she loved you and your children. I am truly sorry for your loss and may it give you comfort to know you have 3 special guardian angels watching over you. I really loved Juanita too. She was such a special special lady.
