“ *I was so sorry to hear of Manong Nito's passing. Though we did not see each other often, I remember him fondly for his warm and friendly manner, his sense of humor, and smile. He was always laughing. I'll also remember him for his long and faithful marriage to Manang Teresing , and how he loved and raised his children. He was so proud of you all. On behalf of the Manzano family in California, please accept our sympathy and condolences. May he Rest In Peace.*

“ *We love you Papa!*

We will miss your happy go lucky smiley demeanor. The world might pass you by but still you went with your own pace oblivious of all the challenges that life has thrown your way, that's because of you unyielding trust and faith in God's love to help you through.

We along with your kids, grandkids and great grandsons will miss your laughter, kind words and especially your unconditional, honest, tough but fair 'love with all of your heart ' kind of LOVE.

We will sorely miss the wonderful family times together. the picnics, fishing trips, parties and holidays with you.

You will be in our hearts forever.

May God grant you rest and peace.
