

Jubilation A. Bonavia

April 15, 1993 - August 5, 2017

Jubilation Angelica Bonavia, age 24, passed away on August 5, 2017. Jubilee was born on April 15, 1993 in Detroit, Michigan. As a middle school student, Jubilee played on the boys football team at L'Anse Creuse Middle School North. In High School at L'Anse Creuse North, Jubilee loved to partake in her drama class, and always had a helping hand in making the costumes for the plays. She also enjoyed her time on the student council. Jubilee loved to cook, and she went to the Pankow Vocational School where she could spend her time in a kitchen and doing what she loved. After high school, Jubilee spent some time at Macomb Community College. She also spent much of her time working, where she had a hand in many different environments figuring out what she wanted to do for a career. Above all, she was a foster parent through A ReJoyceful Animal Rescue, where she fostered a countless number of cats, all of whom she adored. On October 30, 2015, she married the love of her life, Thomas Thurman, in New Baltimore. Jubilee is survived by her loving husband, Thomas; her beloved mother, Jennifer Bonavia; her dear grandmother, Mary Bonavia; her adored godson, Kaedyn Bonavia; her dear great-uncle Tony, great-aunt Paula, great-aunt Andrea, and her aunt Heather; her beloved dog, Bubba; and her loving cats, Bean, Jelly, Cleo and Abel. Jubilee is preceded in death by her great-grandparents Emmanuel Bonavia and Constance Burke. “ *Wow I am in shock... taken from the world too soon. You were a beautiful and unique soul. I love all the time I got to spend working with you at the Hot Topic. I was so honored to be a part of your life and you mine. I will forever live in regret we did not have the opportunity to hang out one last time. I love you Jubilee and rest in peace. My heart goes out to her husband Tom and all them beautiful kitties.*

“ *What I will always treasure about Jubilee was her smile. She was always there when you needed her most with that wonderful smile. I think this photo was taken at her graduation party and definitely captured her free spirit. I'm blessed to have known you, sweet girl. You will be greatly missed.*

“ I know right where to start !!! The 1st day I meet her it was because of her huge heart, her caring ways, her passionate soul and her love for animals!!!! I met our now friend Rachel Gerstner at Jubilee's house to rescue sick kittens. We all came together as strangers for the sake of innocent animals that day. Jubilee started the ball rolling for me getting involved in animal rescue by becoming my 1st foster ❤️❤️ She has been from that point on an immediate and constant friend. Jubilee had an air of freedom, positivity, love, laughter & strength that you couldn't help but admire. She is a perfect example of being who you are with pride and confidence without any false attributes. Her smile could light up a room, her generosity was never ending, her strength was contagious, her heart was huge and her loyalty was astonishing !!!!! She is someone who came into my life so unexpectant and I am so very fortunate and grateful for that day I met her. Her spirit and wisdom will always be with me and a part of me through my continued journey in animal rescue. Jubilee you will never be forgotten, you have left your imprint on me 💕💕
