“ Judi was such a wonderful lady and we truly believe anyone who knew her was touched by someone special. She will be missed by so many. Each has their own stories, their own memories, their own relationship with her, but all feel the loss. She is always a memory away and will live in our hearts forever. We will miss those texts, her comments on facebook, and seeing her when we visit MI., but we will see you, again, our friend. Heaven is a beautiful place. God bless Judi's family and friends.

“ Judi - I am so so saddened by your sudden departure. Thank you for being an explicit and constant source of encouragement and support to me all through my adoption process and since coming home with my two little angels. None of it has gone unappreciated. You have served as an inspiration to me - your capacity to love and appreciate the simple things in life, your love of family and your hearty laughter. I loved your stretch of facebook night-nights with your favorite popcorn - they always warmed my heart. You are a beautiful and loving soul, dear cousin, you have left your mark and you will be missed. Love, cousin Anne

“ Sorry for your loss. Known Judy since we were in Jr. High. Jean, Jane & Joan remember the optimist will say "She's in a better place." The pessimist will say "It was just her time." Be the realist. Smile and say "She will always be with me."

“ Aunt Mary and Uncle Don were always so very kind to me when I was a young child growing up. I will always remember the post-Christmas parties at Aunt Ruth's house when there lots and lots of kids from all the families running around in the basement.Judi was kind enough to come to the funeral home when my father passed away in 2007 even though we hadn't seen each other for many, many years. Rest in peace cousin Judi.

“ I have known Judi since our childhood when we practically lived at her house. Back in the day when Moms were home and we had a safe and fun place to gather. Because she was younger than me, I didn't appreciate her until we were grown and we could remember and reminisce about our times together as children with all our many "sisters". She was a most loving and caring person. I am sure I speak for my whole family Patty, Bill, Mary and Robin. We send our most heartfelt sympathy to the family and friends of this wonderful woman. God bless and keep you all. Psalm 23

“ Judi was a dear cousin, we started hanging together when she was around 18 she would babysit for me and was always over and loved to party with me and my friends, and was the Maid of Honor at my wedding. Judi was such a kind and giving person and never wanted anyone go without I've seen her take back her empty bottles just so she could buy a neighbor friend a loaf of bread and a gallon of milk, if she was unable to help you could see the hurt in her eyes, not a lot of people can feel like that. Judi had many many friends and will be missed by all those that knew her and even those she had become friends with through Facebook. I love you Judi and will miss you so much. I now have no one to share my homemade cards with and will miss your texts with pictures of all your creations. Rest in Peace Judith A. Smith I love you so much, you endured so much in your lifetime that you deserve to have Peace in your Eternal life. I will keep your memory forever in my heart.
