“ Mom, It has been just over a week that your journey here on earth ended as did your suffering and pain. You now have what we all strive for, ever lasting peace and happiness. You are greatly missed by all of us. However, we remain strong as family and friends due to the great memories of you and we carry on with life as you demanded we do. It will get easier but the memories will last forever. Love, Your Son.

“ Judy was a light and joy to all that she came in touch with. She was always interested in whatever young people were doing and was the biggest fan for her grandchildren. She will be greatly missed. You are all in our thoughts and prayers.

“ I knew Judy as a customer at the bank where I work. She was a very special lady. I did not know her well but her positive outlook was a true inspiration. I remember her saying "Every day is a blessing" I feel blessed to have met her. My deepest sympathy to her family and friends.

“ Keeping all the family in prayer as they go through this journey. In death life is changed not ended. We celebrate the life of Judy and the goodness and memories that she leaves behind. " I am the resurrection and the life!" says Jesus and gives us hope.

“ She was our angel on earth and now is our angel in heaven. Lou, you and I both know how much she meant to all of us, especially mom and dad. She was like a second daughter to them...we have shared a special bond that will never go away...what a blessing she was and will continue to be for all of us. Please stop by and visit when you need friends who are like family. We love you all and share in your sorrow.
