“ Judy was such an inspiration to me while we were going through chemotherapy at the same time. We had our up and down days. I am so sorry that "our enemy" has taken her. She will be sorely missed by one and all at Beaumont.

“ I only knew Judy for a few years but her smile and her positive attitude were contagious! She warmed the hearts of all of us at Beaumont and she will be sadly missed- my condolences to her family.

“ I will always remember "Aunt Judy's" smile her whole face smiled when she grinned, laugh big, loud and contagious, and her knack for getting to know people on a personal level. We joked about her list of a million questions she'd greet people with, but when I first met your family, I welcomed it! I knew there would never be an awkward silence. I admired her fighting spirit and am so glad she was able to live a quality life while fighting cancer. As I watched my mom try to fight the same battle last year, I only wished she could've had the same strength to live with cancer as long as Judy did. My thoughts are with Jenny, Jeannie, and Joe as well as the rest of the family. I love you all!

“ Dear Family, I met Judy about 4 years ago at a lecture she gave regarding her cancer story at Beaumont's Share and Care Breast Cancer Forum. She and I share the same diagnosis and became e- mail friends after that. I admired her courage, especially with Jim's illness and death, besides undergoing all that treatment for her cancer and still keeping her job. I attended his funeral but, regrettably I will not be able to come to Judy's, as I will be out of town. Knowing that Judy is at peace now and that all her trouble is behind her, I extent my deepest sympathy to all of you. She was a wonderful person. Sincerely, Trudy Gerstner
