“ We are sorry to hear of Ms. Judy's passing. She is a very kind, and thoughtful woman, who's example speaks louder than words. She, my mother Sandra Currier, Anni Gurrin, and around 10 others, went to St. Gertrudes together. They remained friends and in contact and met together every year, up until some years ago which Judy planned most of the gatherings, which I remember my mother always talking about and looking forward to. I remember once as a child, Judy and Anni visiting or coming to pick up my mom, in 1966, '67' and coming into my room to make sure she said "Hi" to me. My fondest remembrance of Judy is when she attended my wedding in October 1996. She made beautiful flowers for it and when I went to pay her-she graciously said "they're my gift to you", which truly blessed my heart. I will never forget. Our deep condolences to her family, and may GOD's love comfort you and His peace be upon you. Monica and ALonzo Johnson

“ Judith Ann could liven up a room just by walking in! She was such a fun person!! I have only known her for 10 years but it seems so much longer. I will forever remember all the fun we had taking care of her "babies" at the Springbrook Inn and shall truly miss our talks. Sending love to all of you. Tracy, Richard and Drew

“ To Mark, Darlene, David, Kathy, Sandy and all of those who knew and loved Judith Ann we extend our heartfelt sympathy and love. We hope that in this difficult time your hearts are comforted as mine is with the wonderful memories I have of "Ma". She was always a second mom to me growing up and many of my fondest memories are tied to being in her home and with the Delie family. I remember meals and holidays there and weekends spent sleeping over. "Ma" was always there for me and always treated me like one of the family and she will be sorely missed. Dan, Lena and the Girls

“ We share our heartfelt sympathy with you Mark and Sandy and all your Family. Many fond memories of "Ma" and spending time at the Bishop and Moravian houses. She always had something cooked or baked for us no matter how much running she had to do. She always made us feel at home, in her home. We hope in time you find comfort in the love and support so many have for you.
