“ *To JudyÆs family and friends: Words cannot convey how truly sorry I am for your loss. You are all in my thoughts and prayers during this most difficult time. I worked with Judy for the past 14 years at The Muller Law Firm. My Office is less than 5 feet from where Judy worked, so over the years I got to know her pretty well. We shared many conversations about work, family and life in general, and I know how proud she was of her family and their many accomplishments. JudyÆs job as our Receptionist caused her to come in contact with many different types of people on a daily basis - some of whom werenÆt always pleasant to deal with. However, Judy always treated everyone with kindness and respect. She had a kind of quiet strength about her that was always calming and reassuring, no matter how chaotic things got up at ôthe front desk.ö She was a good friend and you have no idea how much I will miss talking to her on a daily basis, or just hearing her say ôGood night John! Have a good night!ö*

“ To JudyÆs Family, My thoughts and prayers are with you. Judy was a special friend and I will miss tremendously. The first thing that comes to me when I think about Judy is that she loved her family and her friends, and she would do anything to help them. I am very grateful for the time that I was able to spend with Judy. May your fond memories of Judy fill your heart daily. With Love, Margo

“ I am so sorry for your loss....We already miss her at work..It hasn't been the same without her smile when you walk in the front door every morning...Judy was such a wonderful co-worker and friend and always had something nice to say to each of us. I will treasure the after work dinners we had and how proud she was of her children and grandchildren. Stay strong together and remember how much she loved all of you.
