“ my Aunt Judy, she was my favorite Aunt...spent some time with her and Uncle Don in the 2000's, they took us to their Canadian camp site, what a beautiful place, we had a wonderful time, I still remember seeing the huge ships coming and going in the channel...although we didn't see each other often, we kept up through phone calls..we would often talk for hours...she was there for me whenever I was in need of a mother figure to lean on. I will truly miss her. We had a wonderful talent of creating things with our hands, from bead work, to needlepoint, to now I'm making quilts..she was always one of the first to comment on my quilts. Yes, I will miss her dearly, love and God speed my sweet Aunt. Your loving niece,
Brenda Sue
