“ I worked side by side with Judy at WSU. She often made me laugh until tears rolled down my face. She loved Christmas more than anyone I ever met. She was smart, spunky, fun and had a heart of gold. I am convinced that Heaven will see the most glorious Christmas this year and I hope she enjoys every minute of it. My heart goes out to her family and her beloved children and grandchildren, she talked about you every day.

“ Some years ago Judy was our next door neighbor. And what a neighbor she was! Every year she celebrated the 12 Days of Christmas with us starting on Dec. 13th with surprise gifts for our family hidden in our cars, doorway entrances, fence... She made Christmas so special. How ironic that she died on the 12th. She loved Halloween too. It was always fun celebrating the holidays with her. Truly a beloved person and friend. Our Angel and our Santa Claus. The memories will never be forgotten. May God be with you. Much Love,
