“ *We are thinking of you at this sad time. She is no longer in pain and for that, we should be grateful. Our memories of Judy were the big feeds we were served when we visited. She always made us feel at home. Remember the wedding day and the toilet breaking down. We were all hustling to get it fixed. Made us feel right at home. Mike and Karen send condolences.*

“ *Judy and Fred became my friends when they joined Christ Lutheran Church’s Senior Choir. I have many memories of singing, playing cards and amazing Christmas parties. Judy was a wonderfully loyal and caring friend. She helped me overcome a traumatic time in my life and encouraged my entering an exciting relationship. May happy memories with Judy sustain her family through the days ahead. God Bless You!*

Greatly Saddened to hear of Judys' passing on, into Heaven. We worked together for many years as state employees at the then Depart of Social Services, formerly Family Independence Agency. Fred, I personally know that the home now becomes just a house. May her spirit continue to reside in your heart and soul. The Peace of Christ be with you and family at this time of loss and sorrows. tom yuhasz
