“ The nurse in the hospital told me that Judy was a strong woman. At that immediate moment I thought, Aunt Judy, strong? She was always sickly. I have spent the last week thinking about her strength and she was a very strong woman. She was the last in the pecking order of siblings growing up, always trying to be in their crowd and to be more like her sisters. She picked herself up and proved to her sisters that she was one of them. She was strong. When she became a single mother to Lauren with little to no support from her ex-husband. She picked herself up and she was strong. She layed in her hospital bed after the accident that broke her back but not her spirit, she picked herself up again and fought to regain her life, through all of the physical therapy and pain. She was strong. When she was diagnosed with cancer, it was not me who consoled her but it Aunt Judy who consoled me. She knew she was going to have to battle yet again. She was Strong. Even at the end of her life, a fighter all 54 years she wanted to live, yet this time is was without anymore pain and with God. Aunt Judy was strong. She taught me a great deal in her life and I hope that I have made impressions in others lives like she has made on mine. In my thoughts and dreams - I will miss and love you forever Aunt Judy.

“ We are truly saddened with the news of Judy's passing. Rest Assured she is looking down on her family and friends, she is happy, well and at peace. We were a customer of Fox Aluminum Products and Judy assisted in any way she could with all aspects of our order. She was always kind and gracious and well versed in all areas of the product she sold. God Bless and Keep her in His Tender Care.

“ I am saddened to hear of your loss of Judy. She and I worked for years together at Fox Aluminum. I also was a customer of hers for years when Judy worked for Saw and Specialty. She had a great smile and a terrific laugh. She was a joy to be around. I will miss her deeply.
