

Judith A. Roberts

July 4, 1944 - May 7, 2016

Judith Ann Roberts, age 71, of Royal Oak, passed away May 7, 2016 at her home. She was born July 4, 1944 in Detroit to the late Paul and Mable Ruggiero. Judy was the beloved wife of James; the couple married August 18, 1964 in Detroit; loving mother of Andrea (Mark) Hicks and Nicole Roberts; proud grandmother of Kennedy Roberts and Allison Hicks; and dear sister of Paul (Arlene) Ruggiero and Richard (Barb) Ruggiero.

Judy would want to be known best for being a grandma to Kennedy and Allison. They were her favorite part of any day. Judy loved to paint; whether it be a rock, clothes pins or coloring in her many books. She was a mother to many and shared her life to the enrichment of everyone.

“ My dear cousin Judy always made me feel special when I saw her - I was home for a family reunion (Judy and Jim weren't known for coming to family reunions very often) and Judy and Jim pulled up, everyone was kind of surprised and when I hugged Judy she said " I'm only here because of you". As you read these tributes you'll see she made everyone feel special, that was Judy, that is what made HER so special. Words cannot express my heartache. Although it is hard to have to say good-bye it is harder to know that your loved one is suffering, we now have a new angel to watch over us. So many memories, so many good times - she will not be forgotten. I only wish I could be at her memorial to share the laughter at the memories and to share the tears of our grief. You will all be in my thoughts - much love and many hugs.

“ I have great memories of Judy waiting outside of the Royal Oak Central Office for Jim after work. She was always so friendly and kind. In later years she would help out at St. Mary's where my daughter Tracey went to school. She never changed in the forty years that I have known her. She will be sadly missed. I am sorry I will not be able to attend her service today but she will be in my prayers and thoughts.

“ My favorite memories of my Aunt Judy is the way she always made you feel loved, welcome and comfortable. I'll never forget her Spaghetti...she made the best Spaghetti in the whole wide world!! She was an awesome cook. For my wedding present she gave me a cookbook with all her own recipes, which I still have to this day. I also remember she could sleep through a movie and wake up and tell you all about it. She and my cousins were always there for me. Rest in peace Aunt Judy. I love you and I'll never forget you. I'm sorry for all the pain you went through!! Heaven has gained a beautiful angel.

“ I will always remember her great laugh. Her love for Jimmie and her girls and what a beautiful, fun loving and playful Grandma she was to her 2 little granddaughters. If you were in the market for a Barbie Doll, just ask her and she would know who the latest Barbie was. It is such a bad thing to lose someone, but I know the pain and suffering she endured was a terrible thing for her family to see. She was so grateful for the great care she received from Jimmie and from Nicole and her little granddaughter Kennedy. I am so glad I have her painted rocks, it reminds me of her love for the outdoors. Rest in peace dear Judy,

Much Love,
Your Sister-in-law,

“ My sympathy to the family. Death claims the lives of those we love. Recall pleasant memories you shared with your loved one. May it comfort you to know God is near to those that are broken at heart.-

“ The thing I remember about Judy is that she always made you feel like someone special, not just another face in the crowd, Plus her laugh and all around loving way. Oh and of course the Barbecues at my mom and dads house and then there is the 4th of July. Will miss her very much
