“ Aunt Judy was so loving and accepting of me. I would get such a kick out of the way she'd say, Bobby, with that accent and said uh-huh. I love her so much. At this time, Bob and I and the girls offer our condolences. I pray for Uncle Jerry and my cousins who I also love.

Judy was such a beautiful person inside and out. One of the most kind, loving and compassionate people that I've ever known. She technically was my sister-in-law but not really... she was my SISTER and very dear friend. We LOVED shopping together too. She had the patience of a saint. She was a very important part of my family's life... ALWAYS there when needed. Always there to lend a hand or just listen. She and Jerry lived 5 houses down the street from us on Harwood Street for over 10 years. My kids love her like a Grandma and she was a very important part of their upbringing. We all loved her very, very much! It was so very sad when her aneurysm stole such a large part of her life. Such a vibrant and wonderful communicator was forced to be silent and still. Sadly, prior to the aneurysm she and Jerry could dance like "Fred and Ginger". It was no surprise that one of the few things that she could say after the aneurysm was "I love you very, very much!" ...because that's she WHO she was.... she loved everyone very, very much! Rest in peace my dear Judy, you are finally out of pain and able to talk again... in Heaven there is no sickness. I'm sure that she is having great conversation with her Mom Betty, her brother Sam (Buddy), her step-dad Harold and all of the rest of her dearly loved and departed family. She's now our beautiful angel watching over all of us. I love you Judy! XOXO -Karen

Mom, this is who she was to me after marrying Tammy, Mom. But before that she was Buddies sister, whom I was lucky enough to know for so many many years. Jerry and Judy always treated me as their son, so this passing of Judy is a loss for many others outside the family. Never have I met anyone with the compassion or love Judy has. I have to share a storyI was blown up- by a tire, after the hospital I went straight to Judy's house. I had eye patches on both eyes. Judy was taking care of me, then it was like she got a devilish idea. She put a bowl of bean soup in front of me, I made a mess trying to put a spoon to my mouth.....Judy started laughing, like I have never heard before.! This was a story she loved to remember, I guess I did too. I have missed her a great deal over the past time away. When people talk about someone being a class act, Judy was it. Never a bad word about anyone, never a time when she put herself before you. I know you were greeted by Buddy in Heaven, I cant wait to see you again one day Mom. All my love Danny

My prayers go out to Tammy and the family. Romans 14:8

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's."
