

Julianna Finn Mannino

November 20, 1936 - August 13, 2023

Dr. Julianna Marie Walker Finn Mannino of Royal Oak, Michigan, passed away on Sunday, August 13, 2023. Born November 20, 1936, she passed at the age of 86 years old.

Survived by her husband Sam Mannino of 26 years of Royal Oak. Beloved Mother to five Children, Don, (Ellen), Chris (Petra), Matt (Elizabeth), Mary Kay, Greg (Anne) and Ten Grandchildren, and 2 Great Grandchildren. Also, beloved stepmother to Kara (David), Greg (Trina), Marca (Charles), Lea (Keith), Dana (Steve), Sara. Plus 10 additional grandchildren and 3 Great Grandchildren from Sam's family.

She was preceded in death by her first husband Don Finn who passed away in 1977. Also preceded were her parents, Nobert and Kathleen Walker of Detroit and her brother James who died in 1936. Julianna survived by her siblings, William (Pat) Walker, Kathy Walker, Martha (Jerry) Klemmer, and Joseph (Mary) Walker. Also survived by many nephews, nieces, cousins and friends.

She grew up on the East side of Detroit and went to Servite High School. She was Valedictorian of her class at Servite in 1954. After high school, Julianna attended Nurse training at Mount Carmel Hospital earning her RN degree in 1957.

After her first husband passed, Julianna went back to school at Wayne State and worked hard to achieve her Masters, then PHD in Nursing. Julianna then became a Professor of Nursing at Oakland Community College for over 20

years at the Highland Lakes campus. She trained a generation of Nurses during her time at Oakland Community College. She was known as a challenging professor academically, but kind and fair to her students.

Julianna was also a Nurse volunteer at Mother's and Unborn Baby Care for over 25 years. This organization helped young pregnant women with pre-natal care, baby clothing, baby cribs, shelter and even employment. She conducted thousands of ultrasounds and prenatal care with these young women with the hope of convincing them to keep their pregnancy. She was a strong advocate for the unborn her entire life and believed in protecting the Sanctity of Life. She was able to save many children due to her efforts.

Julianna and Sam are longtime members of Shrine of the Little Flower Parish in Royal Oak for over 60 years. Julianna and Sam raised their children at Shrine and all 11 children attended Shrine schools. She loved gardening and was a Master Gardener, always had several gardens at her houses. She even designed and built two gardens, one at Shrine Church and the other at St. Vincent DePaul honoring Our Lady of Guadalupe. She had a very strong Catholic faith and remained a dedicated servant to others through her many charitable causes. She also loved to travel, having taken many cruises with Sam to Europe, Alaska, and the Caribbean. She loved nothing better than sitting in the sun or the beach and reading a good book.

Julianna especially loved spending time with her Ten grandchildren. She was known affectionately as "Finn Ma" by all her grandchildren. They remember having special adventures with Finnma searching for "wonderful things" at her house on Square Lake. She lived a rich full life and we are so blessed to call her our mother. She was an amazing person, always a bright light, she taught us everything, and we are richer for Julianna being with us all for 86 years. She is at peace in Heaven watching over us all now.

She will always be in my heart for all she shared with me, I named my son Matthew (after her Matt)and was blessed to have called and spoke with her 2 yrs ago to catch up with our lives...she will be missed by many. Heavenly Blessing to the family.*

“ *I had the honor and privilege of sharing an office with Julianna on the Oakland community college campus in Union Lake. She was brilliant and highly respected by her colleagues and students. She started a stock club which grew with our nursing colleagues, families and neighbors and lasted 30 years. Our monthly meetings, picnics and Christmas parties were filled with joy, fun , laughter and wine. She will be in my heart forever. I know she is now an angel in the heavenly realm.*

“ *I worked briefly at Mother and Unborn Baby Care as Office Manager in the early 2000s when the center was in the old office near 696. I remember Julianna as an amazing woman who I considered a mentor and an exemplar of great faith. Eternal rest grant unto her O Lord and let perpetual light shine upon her. May she, and the souls of all the faithful departed, rest in peace.*

“ *Julianna and I were classmates at Mt. Carmel School of Nursing and have been friends ever since. She, along with Mary Connell, Sandy Alexander Gulian and Sharon Skwiers met every month for breakfast and friend sharing. We would go to my cottage in Oscoda every year for a few days for fun at the lake. Julianna was especially considerate to me when my husband passed away. I will miss her but I know she is with Jesus who she loved.*

“ *Dear Walker, Finn, and Mannino families:
I am sorry to learn of Julianna's passing, even though it is a passing into Glory! I especially remember Julianna on Union Lake with our cottages next to each other. And the Walker family occasionally visiting our home on Hawthorne St. And am still appreciative of the Walker family hosting my father at their home in 1955-56. Please be assured of my prayers and my remembrance at the celebration of the Eucharist on Wednesday, though I cannot attend in person.
Sincerely, your cousin Fr. Michael Chowning, OFM. mchowning@friars.us*

“ Julianna and I were roommates our senior year at Mt Carmel Mercy Hospital School of Nursing in Detroit. She took me to her family cottage on the lake many a beautiful summer day, taught me how to water ski and also to ride a horse. She was very accomplished at both of these activities. Besides having so much fun and good times, we were both studious and studied together many evenings. We have gotten together with some of our nursing classmates on a monthly basis for breakfast these last few years, Julianna kept us up to date with many timely nursing articles. Thanks Julianna, you are with God now. I will miss you. Mary Connell

I know she has been gone for a while, but I have just learned of her passing. Miss Finn was my nursing instructor at OCC and I had my first clinical with her at Mt. Carmel Hospital. I appreciate all the insight she gave me in Nursing and I will forever be thankful for her wisdom and faith in her students. Rest in peace Miss Finn.
