“ I'm very sorry to hear about your mom! She was a special lady! I have very fond memories about her. I know the feeling of losing a parent, having lost both of mine. There are many memories of our family get togethers. Our families have been apart for many years that is a shame. God Bless you guys!

“ I only knew June Elert through the values and humanities expressed by her son, Jim. And for that I am grateful for the gifts that June shared with her children and the world. To family and friends, I extend my deepest sympathy for you in your loss. May comfort and peace be with you.
