“ To the family of June, I am so sorry for your loss. I hope you can find comfort in the hope of the resurrection. Acts 24:15 says: "And I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection". May this bring you peace during this hard time.

“ Dear Uncle Ralph,I am so very sorry to hear about Aunt June. She has left us all with the finest memories. From the time when we were kids, and Aunt June always wanted to sit at the Kids Table, to making the BEST chocolate malts at Thanksgiving and BEST tortellini soup ever, all the way through adult hood and enjoying our glasses of wine. Auntie June had the best advise, and we will hold this in our hearts forever.... she recently told Dave that the secret to your Happy & Wonderful Marriage was to choose your battles wisely, and never go to bed angry ~ we live by those wise words, and have often shared them to others. Auntie June is such an inspiration to all, and will truly be missed. We love you Uncle Ralph.Love, Prayers, and Hugs sent your way,Dave and Carrie

“ Ralph, I so appreciate that you called to share the sad news. I have so many wonderful memories of June and the times we shared together. I first met her at our weekly golf league, and even though she was a much better golfer than I was, we became friends. We both belonged to the Royal Oak Woman's Club and made many wonderful friends there. We often exchanged names of good books we were reading, craft ideas--I taught her to make beer tab bracelets--and enjoyed sharing lunches at various Royal Oak restaurants. I know how difficult it was for her to leave your lovely Red Run apartment and I was proud that, hard as it was, she got involved in many of the activities and events in your new home. I will miss our long conversations, the sound of her laughter and her hugs. Hank says to tell you that he will miss the hugs, too--June always gave him a big one each time she saw him. We hope that your many memories of your life together will bring you comfort in the coming days. We will come visit you once we are home again. Know that we are thinking of you with love.

“ Thinking of you Ralph and our wonderful friend June. She was a best friend and neighbour for years in Bonnie Doon. We shared many, many sunny afternoons, sunsets and cocktail hours. Her love of life and love for you Ralph, was such an inspiration for me. Seeing just the two of you, sitting on the lakeside, holding hands and laughing out loud made me smile. We can only hope to have a life partner as such. I could write a small book on what I learned from June Guerrini. There will never be another like her, I am so grateful to have had her in our lives. Thank you Ralph for sharing her.....much love and big hugs from Pam, Bruce and boys.
