“ So sorry to hear of June's death and also Gordon's. My mom and dad, Jessie and Paul Marvicsin, had great times with them when they lived in Royal Oak. Both of my parents passed away in the past three years in Arizona. To the Schlum children: I share your feelings in the loss of your parents. They were both fine, funny people.

“ I was very sorry to hear of June's passing. June and Gordon were good friends and poker buddies of my parents, Paul and Jessie Marvicsin. I have fond memories of both June and Gordon--they were always the life of the party! Susan White Susie Marvicsin

“ We wish, so badly, that we could be there with you in your time of need. We'll forever cherish the many memories, lunches, funny stories and family reunions with Aunt June & Uncle Gordon. We'll miss them terribly, as we know you all do. God only wants the best and you can bet Aunt June & Uncle Gordon were escorted to the front of the line in heaven! With deepest sympathy and love, Linda & Ward Sun City, Arizona

“ I am very sad to hear of June's passing. She was a dear sweet soul. She never missed a baseball game for Elizabeth & Katy. She was their biggest fan.
