“ Grandma Junes family was everything to her. She loved each one of them with all her heart. I have many good memories of her including all of her wives tales that she told while Kim and I were raising the kids. I can remember laughing so hard at some of the silly things she would say and than she would pretend to be mad at us for laughing until she finally broke down laughing too. She has left some of her beautiful spirit in her Grandaughter and Greatgrandaughter I see it often. I hope you and Mikey catch up in Heaven and he remembers you so you guys can laugh about the old days. I love you Grandma June, Well done, now enjoy your reward.xoxoxo Judy Who
