“ The Maitland Family, Our family's have known each other for a long time, a ton of memories! I have one dear to my heart and it is of me in Sunday school and Mrs. Maitland my teacher, she always put me on her lap and I would help her with the felt board of what was being taught that day, my favorite was Noah's Ark, she new I loved the animals!!! She is one of the best cooks along with Mr. Maitland, and would cook on Wendsdays at Redemption for lent, YUMMM!! Most of all I will remember the unconditional love she held in her heart, so much love that it would pour out her eyes, what a beautiful Christian Woman, what a priveledge to have had her in my life! We have lost someone special on this earth, but look at what she has gained, God has prepared a place for her, and she has peace! Love, Marnie

“ Dear Maitland Family, Our thoughts and prayers are with you as you mourn the loss of your mother and grandmother, but rejoice in knowing she's with our Father in heaven. I'll always remember Mrs. Maitland checking in on me at church whenever I came home for a visit from college and since then while being married and having my own children. She was always so kind, loving and encouraging to me. She was truly a blessing to all who met her, and she will be missed. With love, Kristin

“ Linda and family: We are so sorry to hear of the passing of your wonderful Mom. We have such warm memories of all the times she was there to support our shared work with Youth for Christ and vacation bible school at Redemption Lutheran. We're sure that there were many happy embraces when she arrived at heaven's gate. May all of you experience the tender love of our almighty God as you prepare to lay your Mom to rest.

“ Dear Maitland family, I cannot express the the sorrow that I feel with the loss of June. But I can express the joy I feel when I think of all the memories that I have of her. When I think of her leaving this earth it saddens me because we will all miss her but then I remember something about her and I can't help but smile. That is what she has done for every one she has met...put a smile on their face. May you all find comfort in Gods arms knowing that's where she is right now. Blessings and prayers.
