“ Our hearts are heavy learning of June's passing. She and Gil were the first people who reached out to us when we first attended to Christ Lutheran Church some 25 years or so ago. She was always a friendly face on Sunday mornings and expressed interest and concern for others. She even kept up on our daughter Katie's life and that of her young son on Facebook (as I am sure she did others), expressing comments of recent pictures, etc. We will miss her terribly.

“ *June was such a wonderful person. Even when I was little, she would always take the time to talk with me when I'd see her at church. She had such a kind soul and she genuinely cared for others. She will always be in my heart.*

“ *My Beautiful Mom. I still cannot believe you are gone from us. I wanted to call you this morning to tell you something. I even went to the phone and I remembered you were not going to be there. You were always there when I needed to talk to you. I did not have a chance to tell you goodbye Sunday when we talked. You know we loved you so much. As I look at your picture on this memorial and type I keep telling myself "I just want to hear you say "Hi yeah its me" one more time. I have so many wonderful memories of you. That is something that will always stay close to my heart. You really were an awesome Mom. For that I THANK YOU. We'll see each other again, give Grandma a hug from me and say hi ti Aunt Jane. Pam and I will be Okay. You left us with many wonderful tools to continue on in our lives and you molded us into the adults we became. You can rest now Mom, everything will be Okay. I love you and I will miss you so much.....*

“ *I know I personally miss my grandma. I have lived in alabama for almost 3 years and I struggled for most of it up until a few months ago. I have worked day in and day out. When I wanted to call or something It was too late in the evening. I've sent letters and left messages, but I just hope grandma knew I loved her very much. Even though we didn't talk much since I moved. I made a big step in my life to try and do better with myself and I have been succeeding, but I wish I could have been able to talk more and spend more time with you grandma. You will be missed dearly. I LOVE YOU!!!! I shall see you when the time comes for us to celebrate in heaven. Love your grandson,
Adam*

I am so sorry to hear this, I just found out. June was so sweet and kind and I know that she will be missed by all of her family and friends. I am sad that we were not able to visit recently. June and I played "phone tag" trying to arrange a visit with Roy and Gilbert and I had planned to call her this weekend. Please accept my condolences and I will see you at the funeral.
