“ We thought of you with love today, But that is nothing new. We thought about you yesterday, And the days before that, too. We think of you in silence. We often speak your name. Now all we have is memories, And your picture in a frame. Your memory is our keepsake, With which we'll never part. God has you in His Keeping. We have you in our Heart.

“ My heart is saddened by the passing of "Ma Hoppers" I had the privilege of knowing her and the family for some time. The one thing I will remember is that no matter what situation came her way she always had a smile on her face. She will be greatly missed.

“ As children we spent much time together, all the kids, and had so much fun! I am sorry that time and distance have kept us apart as a family. Thank God for salvation as we will all meet again someday. I am praying for the family through this difficult time and know that you can rest in God's peace.

“ Mom I know the Lord has called you home, and no more pain will you ever endure. My human heart is heavy but I know its only temporary till our creator calls upon me to reunite with you. Everyone has told me I have your role of mom now, it hurts but its an honor, I will do my best to tend to Dad, My sisters, and your Grand Babies while you get things ready for our arrival one day. I Love you beyond words. It was a great honor to have you as my mommy! Love, Rachie

“ To all that knew Karen. I truly believe you would agree with me that she was one in a million. Someone I know that i am truly going to miss, And i know that if you are a believer and know that Jesus Christ is our lord and Savior, That He died for our sins and will confess in our hearts. We will see Her again. That is what I believe and have faith in. That is my Hope and Prayer for each and every one of you. And lam sure that Karen feels the same way. lam going to miss you sister In- law. Johnny

“ To the woman with the biggest heart. I am so blessed to have been a part of your life. You were the kindest, most beautiful, eccentric woman I have met. You always took the time to help others. Thank you for all the times you were there for me, and thank you for giving the world 3 beautiful daughters who all share your traits & values. You will be missed! Love, Your 4th daughter

“ Wow! Thanks, Karen, you would lock me in that same closet that you hid Mary Lou in, and not let me out until I would promise not to tell on you! I just want everyone to know that the burial would have to wait on Karen if the hearse passes any garage sales on the way up there! Really, Kari, I miss you more than words can say. . . Love you, big sis!

“ Karen was a special big sister. She was twelve years older and thought that our Mom gave me to her when I was born. She was my refuge from getting the fly swat from mom, she would hide me in her room to escape. We would go to Howard Johnsons and share banana splits. She never could keep a christmas gift a secret from me so she would end up showing them to me before time just so she could enjoy them with me. When her girls were born they were her world and then when her grandchildren came along, Her world of Nurturing love expanded. I'll see you soon..Will miss you in the mean time...Love You SIS!
