“ So sad to hear this. We lived in Traverse City from 1988-1993, having been sent there by the Coast Guard. One of our very good friends was the Kurak family, and I vented more than once to Karen. We became good friends and our son, Cam, became good friends with Kerri. I already sent a message to Kerri, which she can tell about Karen and our golf adventures. I remember Kerri having a party with the kids in the neighborhood. What fun for them. I also could rely on Karen to watch one of our kids, when we got transfer orders and needed to travel to Florida, to purchase a house. She was so dedicated in helping us during our move. What a wonderful woman she was, and God Bless her family, and deep condolences for a life well lived. Prayers to all.

“ I admired Aunt Karen. Even the thought of her brought me peace in an insane place, as she did in life on our rare visits. I could see she was an excellent mother, who probably never missed a beat. Love to Uncle Peter, Kerri and Steven xoxoxo
