“ *Karren was a kind good friend to our family! I recall how Karren and Mike were so supportive of us during our years in Michigan. They even hosted us at their home for a few weeks while we were making arrangements to move in back in town. They’ve also invited us for so many family gatherings and Thanksgiving celebrations. Karren was always so welcoming, we felt like family! We also have fond memories of our time as neighbors in Mexico! She will be dearly missed. Sttael & Marcelo Ciuffi*

“ *When I met Karen after meeting Mike at the pantry I knew I had met someone special. We connected immediately! Our Mondays at the pantry will be among my most favorite memories! Her hugs and kisses were special because she was so sincere and filled with PURE LOVE! I know I will see her again and I know she will be looking out for a whole bunch of people!*

“ *Karren brightened up every moment I recall spending with her and Michael over the years with her unending kindness and optimism. She brightened the room. Her and Michael will always be my eternal friends and brother and sister in Christ. Truly she was an angel and I will never forget her smile and laughter.*

“ *61 years of memories with my sister from another mother. I had so many days of her & Sylvia . We had our wild teenage years then we were young mothers. We never went more than a few days without visiting or talking on the phone. Karren taught me how to crochet, tried to teach me how to knit, that didn't turn out so well. I will miss haven't tea and crocheting together. I definitely will miss making Angel wings at Christmas time.  
I can still remember when she called and found our I was sick with a horrible flu. She went to Holiday Pizza got me soup and bread, dropped it off and went back home. We weren't living very close then. She gave her heart and love to everyone she came in contact with. I could write a book of all the things we did. All the good and bad times we helped each other through. I send all my love to her family who will miss her as I will.*
