“ One of the original members of the Royal Oak Community has left this world to be with all of her family in the Great Beyond. I will truly miss her as my mother was someone who really hung on through the bad times , and believe me there many many dark days in her life but she always pressed on to the prize and truly tried to enjoy life. She gave and gave and gave to help my sister and father and me. To all the wonderful friends and family who left messages on this guest book thank you so much. My mother suffered for many years with many physical problems but hung on until she was almost 90. She was 89 when she passed on in Oct,2010 and missed her birthday in Feb,2011.

“ Dear Jim & family, A flood of sweet memories came to me as I remembered your Mom & Dad and the awesome role models they were to 10 Girl Scouts who adored them. I will always treasure the love and guidance they gave us during our "Scouting" days. Our weekly meetings and gatherings at your home and the many camping trips together will always be precious memories. Their generosity and kindness and gift of time had a huge impact on our lives. May happy memories carry you through this sorrowful time. Sincerely, Anita Cox Campbell

“ Kay was a special church friend, truly a child of God who "walked the walk" and "talked the talk". Kay was blessed with the sweetest temperament, she always had a smile and pleasant conversation to share. Even though I knew she suffered pain, she never let her "thorn in the flesh" interfere with her Christian beliefs, her faith and her inter-action with friends. Kay will be sorely missed by those who knew her best. To know Kay was to love her. Lovingly, Irene and Bob Guymer First Presbyterian Church Royal Oak, Michigan

“ I was named for my Aunt Kay Katherine and we shared a special bond. I treasure the family holiday gatherings between our house in Jackson and the Royal Oak Tappers. Aunt Kay always had a smile and a hug for everyone and made you feel good to be with her. I also shared her love of PEO as a sister as well as my Aunt. She was a rock of strength for us when we lost my mother, her sister, Barbara. I will miss my Aunt Kay very much Kathy Nolan

“ My aunt Kay was one great woman. She never had a bad word to say about any person or thing. She was my favorite aunt. She would let me get away with a little more then she would her son Jim, and alot more then my mother Barbara her sister. All the times at holidays, brithdays, and vacations she could bring the family togrther. One way she did that was to cook, and she was good. Let it be said, nobody left Kay's house hungry. I am glad she was part of my life. She will be missed by all how knew her.

“ I have many many fond memories of my Aunt Kay. She was the kindest, most gentle and loving person I have ever known. When I was younger, our time we spent in Arcadia with her are some of my absolute fondest memories. Holidays with my grandparents her sister Barbarain Traverse City and other family gatherings....there is not a memory I have of her that is not a happy one. I will miss her dearly and know she is in heaven watching over us.
