“ *Kathy, what can I say a beautiful person went home to be with Lord and family! We had such good times! A lot of laughs and FAMILY time! Talking with you and Herman at times! We laughed so hard! We talk about the boys and Family's! My Girls and of course our grand children! Talk about times up north and down here! But we have stuck with me is what happened after Dale passed! You always called and say when you coming by! Three months later I made the trip ! We laughed and had a great time that day ! When it was time for me to leave you said! Pam come sit next me and give me your hands I am going to tell you something. you told me about Mark at the hospital ! When you knew he was gone you kept asking God why! Well you said a peace came over you and then you prayed! Well you said I am going to pray the same prayer with you! And you did ! We hugged and kissed each other goodbye! I am so lucky to have had a wonderful Friend like you! I love you my friend! And will never forget you! Pam*
