“ George D.
I worked with and for Kathleen for 13 years at the Department of Corrections in Oakland County . She was the consummate professional as an employee and supervisor. Kathleen was selfless and made everyone feel better about themself. I praise Our LORD and SAVIOR for blessing me and those others fortunate to have known Kathleen in this present life. I also praise Him for providing salvation and the Eternal abode of joy and peace for Kathleen and others who place their trust and faith in Him. I shall see Kathleen again!

“ David and I were so sad to hear of Kathleen's passing. If there was ever a bright light it was Kathleen. I have always referred to her as my sister from another Mister. We found that we had so much in common and always had fun together. She was generous and loving. Going shopping with her was like shopping with Elvis as I soon found out. If she saw that you liked something, you would turn around and see her slipping it over her arm and trying to buy it for you. I learned to not show any preference to anything so she wouldn't buy it. I share this to show her true nature although anyone who knew her already knew that. She truly adored her husband Bob and loved his family. It's hard to imagine a world without her. The only consolation is that she is resting in the arms of Jesus. May she rest in eternal peace. We were all blessed to have her in our lives.
