

Kathleen Ann Corriere

December 11, 1945 - April 10, 2025

We forever remember Kathleen (Kathy) Ann Corriere, who passed away on the morning of April 10, 2025 after suffering long-term effects of a stroke. She was born to parents Clement and Alice on December 11, 1945. From the very beginning, she was a bright sun on a cold day. She grew up in South Bend, Indiana, and eventually attended Western University to gain her Bachelor's Degree in education. Following this, she gained her Master's Degree from Oakland University. She worked in elementary special education in the Lamphere School District for more than twenty-five years. She found joy in working with the young children and helping them grow into their best selves. She had a love for both God and her family that God blessed her with. She left a large footprint on the hearts of all of those she met. She fought against the effects of her stroke for many years, with much support from family members, friends, and caregivers. Her friends Mary Caesar and Lori Christofus stood by her until the end of her days, and she loved them dearly. She was survived by sister, Pat Zeitounian, son, Christopher Ash, and two granddaughters, Antonia Ash and Domicella Ash. She was preceded in death by father and mother, Clement and Alice Ladewski, as well as husband Gary Corriere. She is happily with her husband, Gary, today. She will be interred at the Resurrection Cemetery in Clinton Twp, MI. She passed away peacefully and continues to live on in all of the hearts she has touched throughout the years.
