“ Grandma was a large part of our lives. From times when I was too young even to remember, we spent great times together. She would recall these memories on occasion. I recall watching *The Price is Right* with Grandma nearly every day we were together when I was young. She would cut me an apple, and a piece of cheese, and if I was lucky, she would scratch my back. She was an important person in both my and Lina's life. Her memory will remain with us and pass on to others through us. We will miss her!

“ Your sweetness and loving presence will forever be alive in all of these beautiful pictures that I have received of you. I'll never forget that your sense of humor never faded and what a strong woman you were. You loved your family and your husband unconditionally, I am so blessed to have known you. One piece of advice stands out, never go to bed without saying I love you to one another, I promise you that I will never go to bed without saying I love you to Clifton. He told me about you on our first date and I couldn't wait to meet you, you were such a lovely woman and you welcomed me into your beautiful family with open arms. May God rest your soul. Love always, Lydia.

“ Kay was an Amazingly positive person who kept her upbeat attitude through all her struggles, and never complained. She was a devoted wife and mother, who also serve her community through schools, church and other outlets. She will be missed by all who knew her. It has been my priviledge to serve as her chaplain in the final months of her life.

“ I am so sorry for your loss. Fulfillment of Bible prophecy shows That we are living in "the last days." 2Timothy 3:1 Very soon now, Jehovah God is going to intervene in humans affairs and wipe out Wickednessdeath. from the earth. We can be confidence in this Astounding hope. Just before resurrecting his friend Lazarus, Jesus told Martha.: "Everyone that is living and exercises faith in me will never die at all."-John 11:26.
