“ Dear Family,
So sorry to hear about Kay. She had a spirit of grace and kindness always. Paige and Mitch called her Grandma Kay. She always took time with them and at Christmas she would put lights on the Pine tree close to the fence between our yards so they could see them when they had their dinner.
We have had great laughs and long talks. I'm blessed to have known her and proud to call her friend. If you didn't know her, you missed a treat of a lifetime.
God Bless and know without a doubt she took all of your love with her.

“ Our condolences to the family. Kathleen and I had a long friendship. We were red hats together, took a trip or two, walked and talked, and our favorite thing to do was sitting together sharing a cup of tea. I will truly miss her.
