

Kathleen Marie Harkonen

December 30, 1955 - June 2, 2020

Kathleen Marie Harkonen was born December 30, 1955 and passed away June 2, 2020 at the age of 64, in her home surrounded by family.

Kathy grew up on a farm and that is where her love for animals started. A graduate of Madison High School, Kathy went on to become a devoted wife to an amazing husband and mother of 4 beautiful children. She loved the late Elvis Presley and enjoyed spending time with her children and grandchildren. She loved telling them stories of farm life and the transition to city life, to her love of the cottage in the U.P. She was loved by her nieces and nephews for her antics, colorful outfits, and willingness to employ shenanigans with them at any time. Kathy had a love for life and a thirst for the country fresh air. She will be missed by family and friends, but surely never forgotten.

Kathy is survived by her husband Dave; children Scotty (Nicole), Corey (Lenny), Kristina (Brian), and Karen (James); grandchildren Tyler, Tabitha, Austin, Selena, Jayden, William, Greyson, Kennedy, Skyler, Mason, Riley, Logan, and Kayla; aunt Gail Macintosh; sister Norma Jean Polzin, brother Albert Justick; along with sister in laws and brother in laws and countless cousins, nieces and nephews. She was predeceased by her father Raymond Dombrowsky, mother Susie Dombrowsky, brother Leonard Dombrowsky, and sister Francis Marginet.

There will be a celebration of life at a later date.

“ When Kathy past on it was the saddest day of my life. When we first met we fell in love with eachother and it was always that way. We had so many good times with our kids camping, boating, car shows, cruises and going to family outings at her sister or brother or with my family. We also took many trips to the cottage in the U.P. I can not say enough about how much she ment to me. When she got sick it made our love dor eachother stronger and cancer will never take that from us.
I will always love you Kathy, 'till we met again.
