“ *Kathleen is my oldest sister. She was always thoughtful and kind to everyone who crossed her path. She would ask about our friends and to send a greeting even though she might not have seen them in some time, always gave a little something on the holidays even if times were tough, loved animals and gave to charities to prevent cruelty, and you could always count on her sending a Holiday and Birthday card when you thought others had forgotten. I have been Blessed with such a Wonderful Sister with such a Lovely Heart. She never looked for anything in return. May You Rest in Gods Home and in His Peace. Your Baby Sister Ilene H*
