“ Dan, Jeff, and Julie, The Keller family has very special memories of both of your parents and are saddened by the great loss of your mother. From all the crazy things your dad used to say that made us all turn 5 shades of red to all the wonderful vacations and bus trips your mom coordinated to create such fun and special times for our parents and their friends. We will always be grateful!! I especially will always remember being the flower girl in your parent's wedding and babysitting for Danny and Jeff when you were little boys.... You are truly blessed to have had such devoted parents and hope their example will live on in the way you raise your children. I hope it brings you some comfort to know that your mom has been reunited in heaven with your dad and Aunt Lulu. God's blessings on all of you. Love, Joanne Dixon
