“ My sympathies are sent to Jason and the Young family. I taught with Kathy in the Ferndale Schools in the 1990's until 2002. She was such a kind and caring Special Ed. teacher who the children loved! Her students always succeeded because of her gentle manner. I'll never forget how happy the staff was to hear that Kathy and Jason were engaged and then married! They were the perfect match! My prayers are sent to the family.

“ Kathy, was a joy in high school I remember her beautiful smile and her laughter. It saddens me that she is gone at a young age. I will always remember her beauty and in the high school that we love so much. It was a shock to read this today, but I know she wasn't in great health either. May she rest in peace. My condolences go to the family.

“ Kathy was an active member of the Hill-McCloy Class of '70. It has been great fun reconnecting at several class reunions, most recently June 2024! Our sorrow is shared with her family. The world has lost a true kind-hearted soul.....Debbie Francisco-Fernelius
