“ I have really enjoyed knowing both Roger and Kathy. They have been good friends for 40+ years. Kathy used to joke that she loved coming to work when I was scheduled because she could take out any frustrations by doing my waxing. Lisa has continued the ritual since her mother was unable to work. When they traveled, if they came across anything with a Dalmatian on it, they would bring it back to me. They loved to hear about the dog shows. I miss them both.
