“ Dear Jeff, Cliff and Jenny, This is your cousin Bess. Mom called me Monday evening and learned about Aunt Katie. I am so very sorry to learn of your Mother's passing. She was my favorite relative, full of life, energy and positive attitude. I will never forget the time Mom and we three kids, Bess, Ginny and Chet returned from Indian Lake when I was about 6 years old. I told your Mom that I actually rode a horse on the merry-go-round. I was always a chicken to get on the horse. She was so excited for me. I also remember how comforting she was to all of us when she watched the house during Dad's funeral. She was so caring and knew how upset everyone was. I've talked to her through the years and the last time we spoke, which was not very long ago, your Mom was so upbeat and positive and full of life. We talked about one hour on the phone together. It was always so good to hear from her. I never heard her say anything but positive words throughout her life or during her time of illness. I am so sorry she is not with us now, but she is not suffering. She is with Uncle Bob, her Mom and Dad and a much better place. I would love for any of you to contact me when you are able. Mom is hurting too over the loss of her sister. It was hard for her to understand Jeff on the phone Monday. I can fill her in on details if you are able. My love to all of you, my cousins. You know, the first time I went bowling, I bowled an 8. Yes, I quit while I was ahead. My last score, I broke 100. Not bad hah for a lefty with a hook. My sincere condolences and may God be with all of you and give you strength in this time of sorrow in your lives. Please let me know if I can do anything to help you. Love, Bess
