“ So many memories...After Rad's funeral, sitting in the back yard in Utica with Kay and my cousins drinking red wine and discussing life's quirks, beauties, and blessings. Kay knew how to care for the people she loved, and they cared for her. I know Kay will always be in our hearts, but her physical presence will be sorely missed especially by Jerry, his best friend, Jay and Brye, the best mom, and her grandbabies. What a great laugh she had! Love Connie

“ What a spark plug she was! Will miss her smile and humor. Always enjoyed hanging with my cousins from Detroit! Kay's wit and character made her very special. The loving way she took care of others in need will never be forgotten by our family. God Bless you all and may she smile down upon all of us as our guardian angel up in heaven. She will be missed dearly. Love, Lori, Griffin, Justen and Brynne

“ I am deeply saddened by the passing of Kay, who I first met when we were both age 4 and lived down the street from one another. So many fond and fun memories of family gatherings and summer visits when we were growing up...Heaven has another Angel...Sending thoughts and prayers to the Radcliff and Farmer families with love...

“ Our lives are richer for having had Kay with us. Death leaves a heartache no one can heal, love leaves a memory no one can steal. From an unknown source, but very true.
