“ Kathy was one of my favorite Aunts. I spent a lot of time with as a kid. I have always held all my memories with her close to my heart! From Christmas gatherings, Port Austin visits, and let's not forget all the garage sales my mother and her had .My children always brought her and Uncle Paul up talking about some memories with them. She always had her ears open and advice when I needed it the most. Her kindness and love for her family was most important to her. Aunt Kathy will be missed very much. Forever your CINDOSIE!

“ I met Kathy at Lindsey's baptism 6 years ago. She and I shared a similar life experience and we seem to understand each other well. Since that day I got to know her much better and enjoyed seeing her when we visited Michigan and talked with her on the phone quite often. We (Greg and I) will miss her dearly. she was a very kind and caring person. Prayers for the girls and all her family during this difficult time 🙏🙏
