

Katie Ann Byington

May 20, 1980 - December 30, 2023

Katie Byington, age 43, of Berkley, passed away surrounded by family, on December 30, 2023. She was born in Detroit on May 20, 1980 to Roger and the late Linda Byington. She was a beloved sister to Kelly (Darryl) Roenicke and Daniel (Terah) Byington. She was loving "Auntie Katie" to Hayden and Charlie.

She absolutely adored her doggies - Ace, and the late Buster and Roxy.

Katie studied nursing at Davenport University, and was a skilled and compassionate nurse for many years, working at a variety of hospitals as well as IVF of Michigan. She was a talented artist who enjoyed creating with both acrylic paints and pastels. She loved her family, and enjoyed researching her ancestors and building her family tree on Ancestry.com.

Her faith in Jesus Christ sustained her through the ups and downs of the past few years as her health issues became serious.

She kept a positive attitude throughout her many doctor visits and hospital stays, often bringing a smile to the faces of the staff with all of her "Golden Girls" shirts, tote bags, and other memorabilia.

Katie cherished time spent with family and friends. She loved to laugh and

was a positive person who was a cheerleader to everyone.

I'm not sure how to edit, but Daniel's name should have been in there as well. Sending love and prayers to all of you during this heartbreaking time.
