“ The years may have passed but the memories I have are very vivid. Ahh.. the teenage years. Keith was a great guy. One time, he even tried to teach me to ride his dirt bike. Most of the time he would be a typical brother and bug Kathy and me when I spent the night. I hope that you will be able to find comfort in happy memories. Besides, we know that he is with the Lord and we will see him again one day soon. My thoughts and prayer are with you.

“ I was shocked to see the notice in the Macomb Daily. I hired in Utica Trim in March 1999 and was Keith's supervisor on Line 9 Mercury Mystique door panels. He was just the best worker to have and a truly enjoyable and fun person to be around. We talked about dirt bike riding, boating, or snowmobiling every chance we could, up to the time he left Utica. My condolences to all of his family.
