“Dearest sister-- It is so so sad what has happened this past week. I know that this is a trying time for all of us, most especially you. You are a young, beautiful, intelligent woman with many good years ahead of you. We will miss Keith dearly. You guys were like two peas in a pod. I can't imagine saying your name without thinking about saying his also. I am here for you in whatever way possible. Be strong, and know that you are loved. Cherise
