“*Dear Susan and Chris and family. I was saddened to hear of Keith's passing. I used to wait on him at Jimi's. He was always so predictable on his order of a small Juillian Salad. He was always so excited and proud when Chris would join him for lunch. Then Susan you started joining the group for lunch, you added some class! Such a wonderful family. God's Blessing to you all. “*Susan, April and Chris.... We are so sorry for your loss. Keith was a wonderful man and we were both so fortunate to work for him. He was understanding and generous and took great care of his employees at the Daily Tribune. While he was a truly great leader and Publisher, it was obvious that his family was his heart and soul. He always spoke of all of you with great love and adoration. We are keeping you in our thoughts and prayers during this difficult time.*
