“Popeye, you are the only grandfather I've ever known. You are the greatest! I will always remember you sitting in your recliner reading the paper, and of course, making me laugh with your jokes. You are, and will forever be, greatly missed by many. I love you! Mimi, I am so sorry for your loss. You and popeye are the greatest! Sorry I couldn't make it today, however, my prayers and thoughts have been with you today. I love and miss you more than you know. Please take care! and God Bless.

“During this very difficult time I would just like to remind everyone that although it is a different world without Popeye in it. His life should be celebrated and the way he touched all of our lives will not be something we forget. I love you all and I wish I could be there. Love is all you need:-

“Dad, tomorrow you will go, where I can not, but I will one day come after. Until then Father, I will hold to my faith that what God has said is so, "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." 1 Corinthians, 2:9 And the promise of our Lord, "In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you." John 14:2 You have finished the work God gave you to do for as it is written to us, "Pure religion is to care for the orphan and visit the widow in her affliction" Your faith was not in word but in deed, for the greatest of all things is Love and by that you touched so many lives. I pray the Lord kept a little book so you could read all the prayers that were offered for you. So very many people loved you, which is a testament to the love and joy you first gave them. It is also said, "Let another mans lips praise you," for how real is it if we praise ourselves? You took so little and gave so much. My precious Father it was an easy take to Honor you. I will see you again, though I will miss you until my says my work is finished here. How I wish I could have said these things while you were yet with us, but I pray God grants an angel to deliver them to you. Thank you Dear Father of Kenny, me, Terry, Stacey and Jordon.

“ Dear sweet "Popeye".... I have always thought the world of you and that will never change. You and Mimi graciously hosted many family reunions, Christmas parties and gatherings that will never be forgotten and then you were gracious enough to take my mother and I into your home when we moved from Indiana to Michigan. My husband Steve is so saddened to hear that Popeye is gone because he loved fishing and hunting just as much as him. Mimi-I love you with all my heart and to all his children, grandchildren, great-granchildren, great-great granchild and extended family we send our sincere and deepest sympathy~ Love your Niece, Connie Phillips Walls Steve & Lauren

“ Popeye was a very sweet, kind hearted, funny, and just a very awesome man. There are so many words that I probably could not fit in this message to describe what a wonderful person and grandfather he was. I have always admired and looked up to him and I always will. I will miss him terribly but he is forever in my heart and mind. I love you Pops Love Rachel Bird
