“ Hey uncle Ken I will miss you so much i'm glad I got to hang out with you last time you were in town and always had a great time listening to your stories and hanging out. I wish I could have been well and not in the hospital myself when everything turned for the worst. You will never be forgotten. Take care of Grandma and Grandpa and my Mom for me. I love you man.

“ When your names are spelled almost the same, and you always sit together through school, it stands to reason you will become friends. Though not as close as it might have been, we still kept in touch. I will miss all your e-mails, and will make sure you are remembered at any further class reunions. Rest in peace Kenny, you will be missed.

“ I have so many memories of you, Ken, both from years ago and more recently. I was just relating to my husband my memories of the adventure to Sleeping Bear Dunes the other day. I remember so many little things from coming to visit you as a child. I remember thinking how far away Royal Oak was a kid! Hahaha. You were a true friend to my dad for a very long time. You will be truly missed by us all.

“ I will always cherish the good times we had. I didn't always understand the way he did some things when I was growing up, but I can honestly say that do to his "tough love" I can now see that he just wanted me to be a respectable and responsible man. Mission accomplished! I will miss you very much dad. Until we meet again..... Love ya, ~Kenny
