“ *I was saddened to hear the Ken passed away. I just received the message from Arlene Green today 10/14. My thoughts and prayers go to you Bernie and your beautiful children. I worked at HPHS for eight years and I believe that I shared a classroom for three years. Without a doubt Ken was one of the kindest, most gentle people I have ever worked with. He was always pleasant and had something positive to say. He was a great teacher and I know that he was loved and respected by all who knew him. There is no doubt in my mind where Ken is. He is laughing and chatting with our Lord. You are all in my thoughts and prayers. Gail Bufallini*

“ *I was so rewarded by working with Ken in my years at Webb Jr. High School. He was a true gentleman, friend, and a loving family man. His love of teaching and writing were an inspiration to many. He will truly be missed by many.*
