“ Dear Audrey and family: My sympathies on your profound loss. I shared many of Ken's interests, from Scouting, the church and his passion for local history, but I counted him a friend first. Time spent with him was seldom wasted. He had a knack for organization unmatched by most individuals, a gift he unselfishly shared with all around him. His life enriched us all and his passing is a loss felt well beyond the circle of your family. While not physically imposing, if you measure a man by the love and respect of his family and friends, Ken was a giant. He will be missed.
