“ I'm Jacob Haffey, one of the grandchildren of Ken. He will truly be missed. I remember when I was very young when him and my grandmother, Beatty, took me to Starr Jaycee Park to ride the train that was there. There were many Easters, Thanksgivings, and Christmases that were spent with family Easter egg hunts, turkey, and opening presents. My cousins and I really enjoyed having him as our grandfather.

“ I am sorry to hear of Ken's death and extend my condolences to his children and grandchildren. Ken was married to my cousin Beatty, and as a little girl, I remember what a handsome couple they made on their wedding day. He was a kind and caring husband and, I'm sure. the same as a father. I will keep the Haffey family in my prayers.
